

BOASSO BARBERA D'ALBA SUPERIORE 2019

Aromas of freshly picked blackberries, brambles and cedary oak follow through to a medium palate with the same, rather curious aroma profile pushing through to a medium-long finish. Interesting. Drink now.

BOASSO BAROLO DEL COMUNE DI SERRALUNGA D'ALBA 2017

I like the aromas of violets, green pepper/cardamom and roses that coat the ripe red fruit. Full-bodied, silky and juicy with lots of fresh flavor. Only a slight pull on the finish from very fine tannins. Drink from 2022.

BOASSO BAROLO GABUTTI 2017

Fruity Barolo with raspberry jam and mild spice on the nose. The palate is full and tight for now, but releases additional citrus-rind, light tobacco and vanilla notes that add complexity. The tannins are firm and spice-coated. Shows good promise, but needs time for it all to come together. Drink from 2023 onwards.

BOASSO BAROLO MARGHERIA 2017

Slightly exotic nose with dates, redcurrants and raspberries, following through to a medium to full body with lightly firm tannins and a twist of dark chocolate on the finish. Delicious now, but better after a year. Drink from 2022 onwards.

BOASSO BAROLO MARGHERIA RISERVA 2016

Pleasant aromas and flavors of lightly spiced cherries, red berries and minerals. Medium-to full-bodied with persistent fruit, lightly firm tannins and a long, flavorful finish. Needs one or two more years to integrate fully. Excellent balance here. Drink from 2023.

BOASSO DOLCETTO D'ALBA 2020

A very pleasant, no-nonsense dolcetto with typical grapey and light herbal notes. Medium body with a light tannin framework and a tasty finish. Delicious. Drink now.

BOASSO NEBBIOLO LANGHE 2019

Quite a floral nose with wild strawberries (almost strawberry jam) and dried flowers, following through to a medium body with bright fruit coating the lightly firm tannins. Plenty of acidity for a fresh, firm finish. Drink now.
